英文作文題目：

Do you agree or disagree with the following statement ?

Elementary school students should not use cell phones at school . Write down your reasons and examples to compose your writing .

你同意或不同意以下陳述？國小學生不應該在學校使用手機。寫下你的理由和舉例來完成你的作文。

(時間 40 分鐘，請用藍、黑色筆寫，約 150 字)

I agree it. Because elementary school students need to do outdoor exercise, they shouldn't use cellphones at school. Besides, they don't have time to use that. They can borrow their teacher's cellphone if they need to talk to their parents to go home on a rainy day or when they were sick. For an elementary school student, he may want to use smart phone to surf the Internet or play game, but he should do them on his free time. However, cellphone users' age is younger and younger. More and more people have their own cellphone besides elementary school students. Do they really need the cellphone? Let's keep away from cellphones! Open our mind, maybe we can travel around the world. Always uses cellphone just can let our more terrible! Believe it or not. Elementary school students really shouldn't use cellphones at school. Maybe they will be a trouble in the future.
