She enjoys it a lot and also gets paid for her writing. That makes her happy because she has three daughters to bring up.

Mom always tries to finish her writing before we get back in the evening. By doing so, she has more time to be with us. Mom loves talking and reading with us, but she hates cooking and cleaning. So we have learned how to do housework since we were very young.

Mom is always busy writing and taking care of us, but she is always smiling. To me, my mother is the most beautiful woman in the world.

Dear Da-ming,

How are you? This is my first time to write to a foreign pen friend. I hope we can become good friends.

I am 13 years old. I live in Cork, the second largest city in Ireland. Many of my friends love sports. Football, for example, is very popular in my school. I enjoy it a lot, but I have not joined any team. I also enjoy cooking and usually cook with my dad on Saturdays.

I'm sending you a CD of Irish songs with this letter. Ireland is a country with beautiful music. The songs on this CD tell many sad stories from Irish history. I like Eoin's voice very much and I hope you will like him, too.

Yours,
Sean

Read A-hua's diary and answer the questions.

October 9, Monday

When I got up this morning, I was so surprised to find a new watch on my desk. I couldn't help crying.

I lost my old watch last Monday. It was a present from my father for my thirteenth birthday. I still don't know where or how I lost it.

I felt really sad when I couldn't find the watch. I stayed at school to look for it until very late.

When I came home, no one was there. At nine o'clock, Mom called back

and told me that Dad was hit by a car on his way to look for me. He was sent to the hospital.

I went to the hospital that night and told Dad I was sorry. I also told him I lost my watch, but he did not get angry.

Dad's left leg was badly hurt, and he stayed in the hospital for several days. He just came back home yesterday, and this morning I found the new watch.

Thank you, Dad, for loving me so much.

What comes to your mind when you hear the word "twins"? Born on the same day? Looking almost the same? Or having the same hobbies? Well, I have a twin brother who was born on a different day from me. We do not look very much alike and we are always interested in different things.

Twelve years ago, my brother, Wayne, was born at eleven fifty-eight on the night of May 28. Five minutes later, I was born—on May 29. Since the time we were born, I have always been heavier and stronger than Wayne, so people usually think I am the older brother.

But Wayne is always smarter than I. He loves reading and learns many things quickly. He knows a lot about animals, although he does not spend much time with our dogs and birds. He knows a lot about bicycles, but never likes to ride bikes as much as I do.

Though we are very different, I love my brother very much. I hope both of us can have a happy life in the future.

Dear Grandpa:

I'm so glad that you're finally coming—in three days!

It was Christmas yesterday. We put up a beautiful Christmas tree in the living room. I'm sure you'll like it when you see it.

Lily and I drove two hours to Chinatown in New York City yesterday. We bought a lot of Chinese food there. Mom said you would bring us more snacks from Taiwan. I just can't wait!

All of us will go and pick you up at the airport except Dad. He has to see one of his teachers from high school that day, but he will come back and take us to a big dinner in the evening.

During your two-week stay, we are going to take you to England for one week. I've never been there, either. But I'm sure we're going to have fun in this trip.
