Dear May,

I know you are still angry, but please listen to me.

When Mom asked you not to play computer games all day long, what did you do? In a loud voice, you told her you were doing your computer homework. Then you slammed your room door and refused to talk to her.

You don't understand how much you have hurt her. I think she is waiting for you to say you are sorry. If you don't feel comfortable doing so, why don't you just say something like "Good morning"? If you can say anything, it will make your mom feel better. I know you love her, and I hope things can go well between the two of you.

Love,  
Dad

Dear Gloria,

How have you been? I miss you very much. It's my second year in Burney. School is not a problem for me, and I have made some friends in my class.

Here's a picture of my classmates. The girl standing next to me is Sally. She has beautiful long hair. And the boy in the cap is the cutest person in the class; we all call him Jolly Jerry. The other boy is Jason. I think he is smart and nice. I'm thinking of asking him to a movie. What do you think? Please give me some suggestions on what I should do. Maybe I'll have a boyfriend when you see me next time!

Love,

## Today's Weather

The first typhoon of this year is coming fast from the Green Sea. Although it will not arrive until tomorrow, strong winds and heavy rains are here already.

It is quite windy in Greenton. The city's famous bright sun cannot be seen today because the rain is going to last all day. Greenton's temperature today is 21-24°C.

Ferilla is also windy and rainy. Its beautiful beaches are closed because of the typhoon. People who want to have a vacation there will have to change their plans. The city's temperature today is 20-24°C.

The weather in Coco Town will still be good today, just like yesterday, because it is on the north side of White Mountains, and the mountains block most of the wind. The temperature in Coco Town is 25-29°C.
